### INSERTS

Our printer does not create magna-strips for inserts. They are able to outsource the job but it is by no means cost efficient. We recommend that inserts are supplied with magna strips if they need one.

These charges are basic estimates. We require a printed sample of the insert and the issue forecasted in order to get an exact production charge. Postage will vary according to weight and size of the insert.

Quantity Required: 115,000

**BIND IN**

1/2 pg. BRC card:	\$4,630		
2-pg (1 leaf):	\$4,965	12-pg (6 leaf):	\$8,215
4-pg (2 leaf):	\$5,735	14-pg (7 leaf):	\$9,040
6-pg (3 leaf):	\$6,370	16-pg (8 leaf):	\$9,480
8-pg (4 leaf):	\$6,945	18-pg (8 leaf):	\$9,920
10-pg (5 leaf):	\$7,885	20-pg (10 leaf):	\$10,750

**TIP IN** \$7,875 ( + postage, according to weight)  
Maximum size of tip is 7 1/2" x 10 1/4"

**POLYBAG** Paper normally doesn't Polybag because it is expensive in production and postage. We would require a sample of the item to Polybag before we can give an exact production charge. We do not Polybag items for newstand. It would be subscribers only.

**BLOW IN** \$4,055 - Maximum size we recommend is 4 1/2" x 6"

---

**FOR 5TH COLOR** add \$1,655

---

**FOR METALLIC** add \$2,205
